À, à, Song of a song: Annie Laurie score system À, the score of the lesson appears on the screen. * Compatible operating systems: Windows® XP Home Edition (SP2 or later), Windows® XP Professional (SP2 or later, 32 bits), Windows Vista® (32 bits), Mac OS® X (10.3.9, 10.4.11 or Subsequent, 10.5.2 or later) Functions and more powerful functions À € € Recorder to compose and play À € € Register for storing keyboard configurations and instant recovery when you need À, Them À € € One Touch Preset automatically configures the keyboard to match the current one, a selected rhythm. Recorder and metronome for support of the lesson A wide selection of tones (570 tones of high quality) À, a wide selection of musical instrument tones supports the game of songs of several Géros. Lesson part selection (right hand, left hand, both hands) 152 Song Bank melodies, including 50 exercise phrases (songbook provided *) À, Built-in songs cover a wide range of GEGROS for the game of The lesson and for your enjoyment of listening. Táctil response À, Touch Response allows you to add delicate nuances to the notes by varying the pressing that you apply to the keyboard keys. Microphone takes Sing together with built-in songs or songs loaded from external sources. Includes exercise phrases! À, * The song book does not include music for exercise phrases. After dominating a phrase advances to the next one. In addition to Bossa Nova, Samba, and other basic rhythms, also obtienes Cumbia, Reggaeton, Calypso, and more! Rhythm editor 10 User rhythms created by the integrated rhythms edition Music Preset À, the selection of a music preset instantly changes the configuration of the keyboard (tone, rhythm, tempo, etc.), so it is ideal To reproduce a specific song. À, À, à, Notes on the keyboard using the sampled sound! À, if you show the "ting!" Sound of a triangle, for example, you can reproduce notes with the keyboard sound. Sampling function * À, shows a sound and you can play it on the keyboard! You can sound effects for a party or other events, or use sounds to compose music. Digital Effects Use effects to add reverbation to get more depth and amplitude into the music. Versatile scalability À€ USB port for computer connection* À€ General MIDI support (GM level 1) allows connection to a computer or other GM-compatible device. The potential for fun is practically unlimited! * 5 sounds plus 3 sets of drums (of up to 8 sounds each), 10 seconds maximum total sampling time * Shows the sound of an audio device connected to the audio input socket or a microphone connected to the microphone socket. You can try a favorite phrase from a track on a digital audio player, a drum sound, a person's voice, the sound of a pet or any other sound you want. Note that the actual number of songs that can be stored depends on the size of each individual song and other data stored in memory. Arpeggio simplifies the game of arpeggio, in the United States and other countries. Music Information System (Large and backlit LCD) It displays a lot of information to support the keyboard game. The memory capacity is about 320 KB, which is enough for up to 10 songs. With this new lesson feature, you keep building your collection of mastered phrases and soon you are able to play the whole song. The selection of configurations covers a wide range of musical genres. Musical Challenge Test your answer with an exercise that is like playing a game! Music Challenge tests your reaction speed by requiring you to press the keys indicated by the on-screen keyboard guide in time with the Auto Accompaniment tempo using the correct fingers indicated by the on-screen typing guide. À Incorporates a sampled sound in the companion patterns! You can try a favorite musical phrase or drum sound, and use it to replace some Auto Accompaniamiento drum sets. À€ À€ Songs used by Song Expansion can be used Step Up Lessons, but the digital guide will not be shown for such songs. AUDIO IN JACK Connects a digital audio player, CD player or other audio device and can be played reproduced through the keyboard speakers. New Sound Source AHL * All built-in tones, including piano tones and acoustic instruments, now sound better than ever! The maximum polyphony of 48 tones provides a wide margin to minimize the possibility that the notes fall when the tones are in layers and when playing self-accompanying. You can even add reverbation, vibrato and other effects to sampled sound. Pre-established scale Change the scale (temperature) of the quick keyboard and easily so that it adapts to the oriental music or certain types of classical music. Song expansion You can load songs from external sources and use them to listen to them, play or even lessons. * ACOULTIC & HIGHLY-COMPRESSED LARGE-WAVEFORM 76 Piano-Style Keyboard À, an easy keyboard to play with an appearance similar to that of an acoustic piano. 180 Rhythms and Auto accompanying each other for Latin music and other styles from around the world (180 rhythms including 74 ethnic rhythms and 20 patterns to play the piano) An advanced automatic accompaniment function provides access to a Great collection of ethnic rhythms from all over the world, with special hell in Latin rhythms. à € € Mac OS is a registered trademark of Apple Inc. à € € 76 piano style keys à € € Touch Response (2 levels of sensitivity, off) à € € Polyphonia of 48 notes (maximum) À € 570 High Quality Tones including Tail Piano Tones Standard À™ € À € 180 Rhythms including 74ths, and 20 Patterns to play the piano À € € Rhythm Editor: 10 User rhythms À € € Accompany À € À € 152 songs, including 50 exercise phrases À € À € Expansion of the song: 10 Songs Maximum, approximately 320 Total À € à € Music Preset (305 Presets) À € à € Registration (8 Banks x 4 sets for 32 Configurations) À € € One Touch Preset (180 Presets) À € Digital Digital .eciov .eciov namuh detalumis à ni srebmun regnif tuo gnillac yb uoy pleh lliv ti ,smelborp gnivah era uoy sesnes draobeyk eht fl À À ediuG gniregniF ecioV .yalp ot nrael ot enoyna tuoba tsuj rof ysae ti gnikam sesarhp retsam-ot-ysae .trohs otmi dedivid era seceiP À À nosseL pU petS .koob gnoS eht ni dedulcni eb ton yam senut knaB gnoS emos ,snoticirter thgryroc ot euD .yllicitamotua ydilem ruoy ot seton ynomrah etairproppa sdda eznomraH otua À€À€ .seirtnuoc rehto dna setatS detinU eht ni noitaroproC ttorcimfo skramedart deretsiger era atsiv swodniW dna swodniW À€À€ 8853130581794 .edoc NAE À€À€ 5-DA .rotpada CA À€À€ 6 x ezis-D seirettatB À€À€ gk 2.7 thgieW À€À€ mm 551 x 004 x 781.1)ff x D x W(ezis À€À€ dnats cisum .koob gnos htiw semoc À€À€ W5.2 + W5.2ÀVÀÀ reililpmÀ À€À€ 2 x mc2IÀÀVÀÀ jytq x aidI srekaeP À€À€ ebitapmoc 1 level MG À€À€)DCL tilkcaD(metsyS noitamrofnI lacisuM À€À€ reilortnoc knaB gnos / mhtyhr À€À€)sepyt 09(rotaigepP À€À€)sepyt 21(ezinomraH otua À€À€ emonorteM À€À€ latot seton 000.21 yletamixorppa .gnos nosseL 1 .sgnos 5 x skcart 6 .redroceR À€À€)selacs 61(elacs teserP À€À€ sesurohc 5 ,sbrever 01
